Exhibits erroneously entered may be transferred at the discretion of the Superintendent of the Department, if done prior to judging and awarding of premiums within the division they are eligible.

## DEPARTMENT RULES

Exhibits should have been made this Fair year, September 2016 - August 2017.

**Any art work that is a reproduction or copy of any published work must be so designated and statement attached to the Entry tag for consideration when judged; i.e., calendars, magazines, etc.**

Any article having taken a premium in this class at any previous fair is ineligible in this competition.

## HINTS TO EXHIBITORS

**Art work MUST have a wire attached on the back to allow hanging, if needed.**

Entries which consist of more than one item should be displayed attached to a base or in a box, in order to prevent their loss or separation.

Photography entries should be mounted, matted, and/or framed. Frames will not be judged but will be considered for their appropriateness. **ALL PHOTOGRAPHY ENTRIES (all categories) MUST HAVE A HANGER ON THE BACK, READY TO HANG, OR THEY WILL BE REFUSED.** Having hangers on all photographs allows us to process entries effectively and saves a lot of valuable time. Pencil, pastels and charcoal exhibits display better when matted. Protect surface with proper fixative to prevent smearing. Photo frames should be no larger than 14" x 17" or 12" x 21".
