

## INFORMATION FOR APPLICANT

*Instructions for filling out the Joint Application for Proposed Work in Montana's  
Streams, Wetlands, Floodplains, and Other Water Bodies*

Please Read Carefully

**This application form can be used to obtain permits from the local, state, and federal agencies listed in the box below.** Use the box below to determine which permits you may need for your project (contact information is provided); to determine the number of copies of the application to send; to determine what additional information is needed; and to determine what fees, if any, apply.

**After completing this form, send the required number of copies, with original signatures,** to each applicable agency. Each agency issues separate permits. You must obtain individual authorizations or permits from each agency to which you apply before conducting your work.

For more information about permitting requirements, review “*A Guide to Stream Permitting in Montana,*” available from all participating agencies or on line at [www.dnrc.state.mt.us/permit.html](http://www.dnrc.state.mt.us/permit.html). Please note: permits from agencies other than those listed on this application form may be required. You must apply to those agencies on separate forms if the law applies.

Do not submit fees with this application. Fees listed are for information only. The responsible agency will contact you when a fee applies.
