SANDERS COUNTY RECYCLING PROGRAM

RECYCLING- Let's All Do Our Part!

Sanders County has a strong & ever- improving recycling program. If you have any questions that are not answered in this brochure, please call: 827-6942

WE RECYCLE THESE ITEMS:

Plastic #1 & #2 (**NO** plastic grocery bags-use paper!)

Aluminum Cans (beverage only-no cat or dog food cans!)

Metal (tin cans, large metal objects, etc.)

Cardboard-Clean & Flattened (cereal boxes & egg cartons go in Mixed Paper)

All Batteries

Used Oil

Mixed Paper-Magazines, catalogs, office paper, newspaper, phone books, paper grocery bags, egg cartons, cereal boxes, etc.

WE DO **NOT** RECYCLE THESE ITEMS:

Glass-Due to current market conditions and shipping & handling costs, MT refuse sites are not currently accepting glass. Bayern Brewery in Missoula has a great 'take-back' program for certain brown beverage bottles. Call 546-3109 to get the specifics!

Plastic Bags, film, wrap-These items **contaminate** our bales of Plastics #1 & #2. **Do not deliver your plastics in plastic bags!**

Styrofoam-All Styrofoam received goes in with the household garbage. Styrofoam does not break down & is bad for the environment.

RECOMMENDED

DISPOSAL OF "SHARPS"

(Hypodermic Needles)

Republic Services advises that the 'sharps' can be sent with our weekly loads to Missoula as long as they are packaged in the following way:

1. Put in disposable plastic containers with .5 cup bleach.
2. Plastic containers are taped shut.
3. Plastic containers are labeled 'Sterilized sharps.'

"Use it up, wear it out, make it do, or do without."
