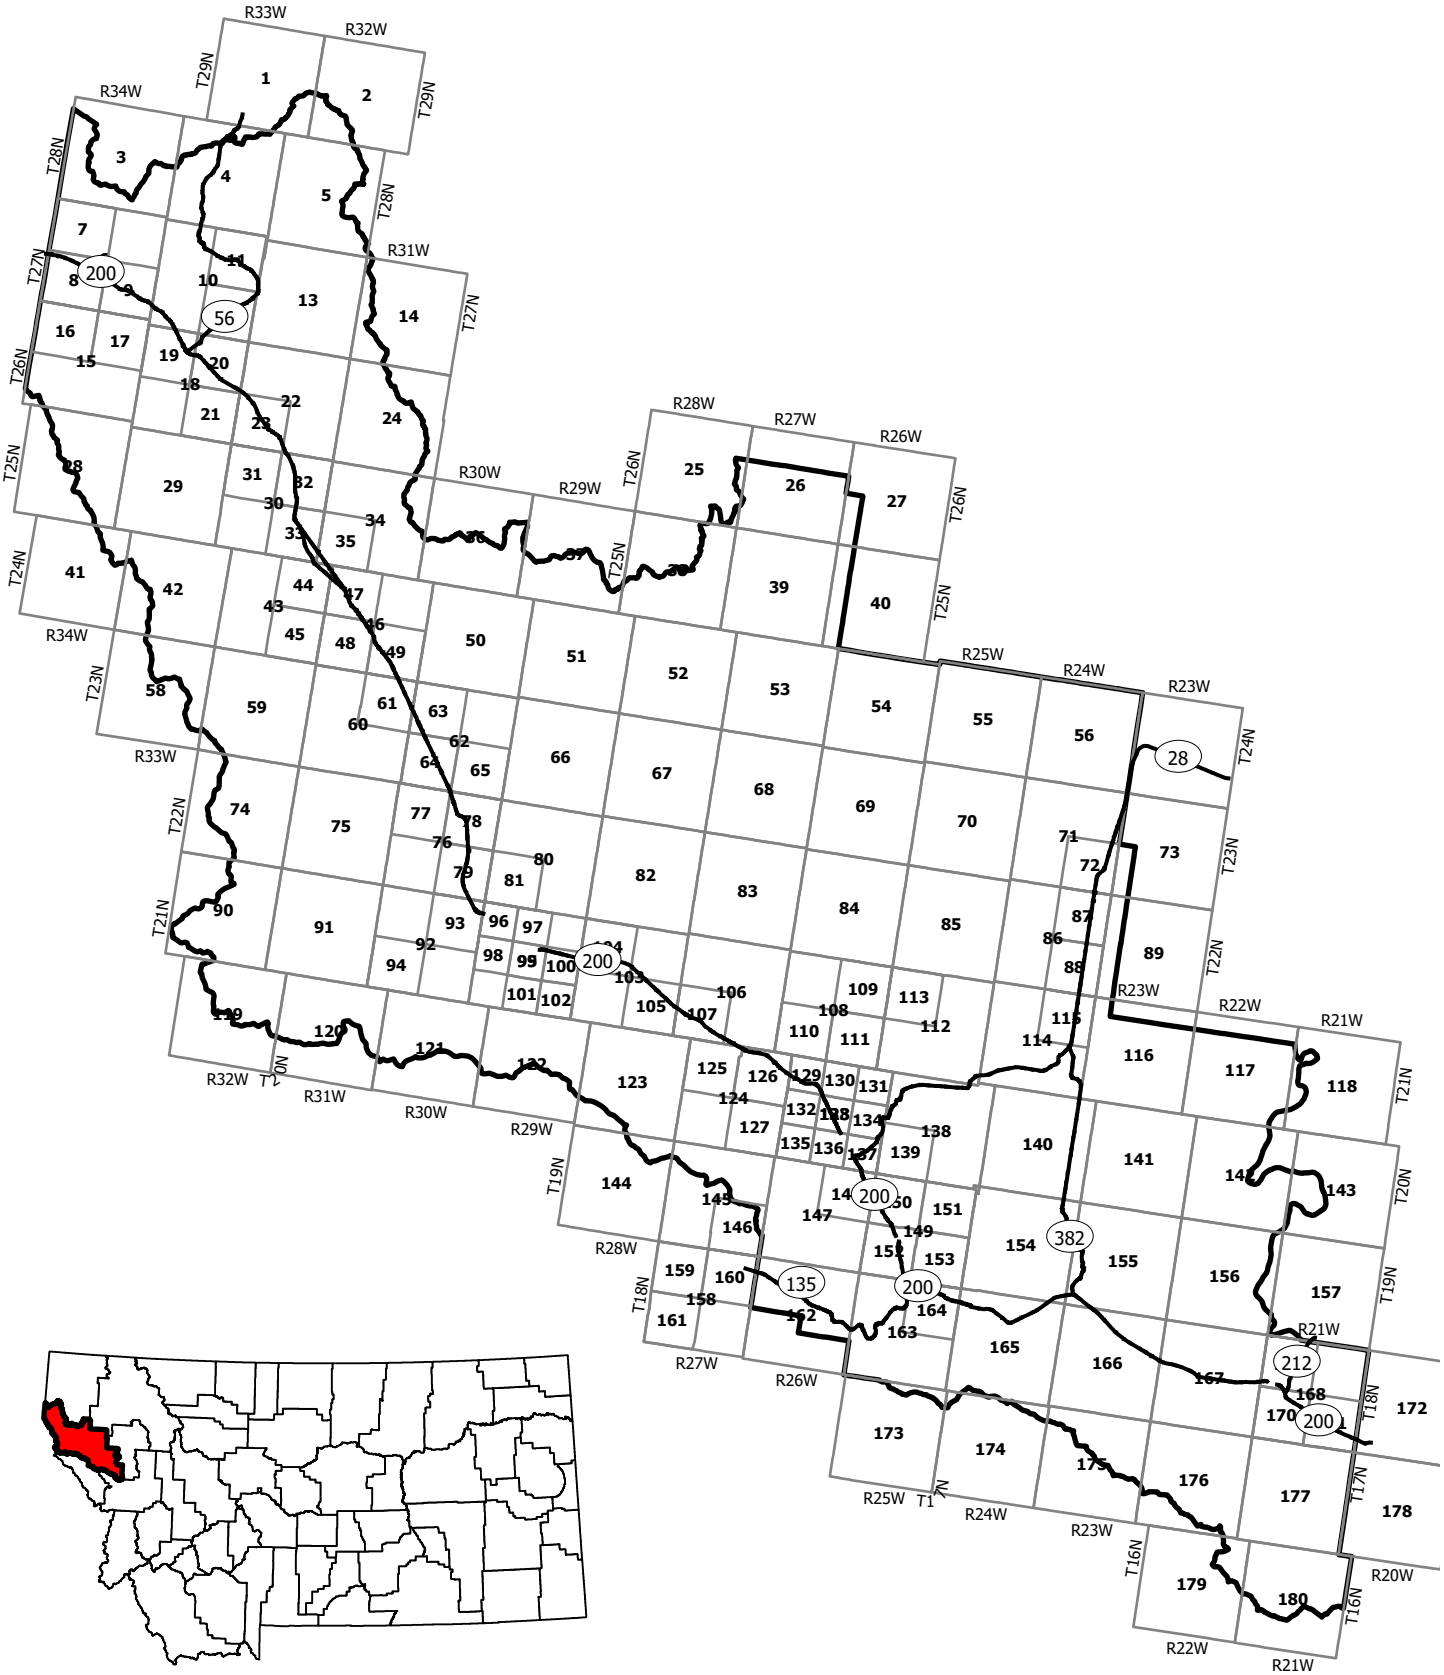
SANDERS COUNTY, MT

2021 EMERGENCY SERVICE ATLAS



COPYRIGHT - SANDERS CO., MT - 2021

Sanders County, MT – Addressing System Overview

The most important reason for having a County assigned address for your property is to make it easy for 9-1-1 emergency services to reach you and your family in case of need. Your County assigned address is part of a system of emergency services, atlas, maps, and computer data information that is utilized by all 9-1-1 emergency service units. The Rural Addressing Office assigns physical addresses in Sanders County. During that process we check to see if new development needs septic services and are out of the designated floodplain. We pass the new physical address on to other county departments and government agencies. In addition we can provide verification of assigned E911 physical addresses in Sanders County.

This atlas represents roads and streets within Sanders County's system of maintained jurisdictional roadways. This represents the best effort to provide a complete listing, but due to the nature of the roadway system and the historical problems relating to documentation and memorialization of roadways and rights-of-way, the listing may not be all inclusive. Maintenance agencies for municipal and private streets are derived from a variety of sources and have no guarantee of accuracy. GIS data is provided on an "as is" basis. Sanders County specifically disclaims any warranty, expressed or implied, including, but not limited to, the implied warranties of merchantability and fitness for a particular use. The entire risk as to quality and performance is with the purchaser. In no event will Sanders County or its staff be liable for any direct, indirect, incidental, special, consequential or other damages, including loss of profit, arising out of the use of this data even if Sanders County has been advised of the possibility of damages.

Questions regarding any of this information should be directed to the Sanders County Rural Addressing Coordinator at 406-827-6920, including any request for the assignment of new physical addresses. While every effort has been made to ensure the accuracy of this atlas and the data it contains, mistakes and omissions may occur. Please contact the Sanders County Rural Addressing Office if you find any errors herein. Thank you.
