

# **NOTICE TO HERON POLLING PLACE VOTERS**

With the redistricting process that took place last year, it was decided to combine the polling place location for Heron and Noxon voters.

**YOUR NEW POLLING PLACE is the  
Noxon Emergency Services Bldg.  
located at 311 North Avenue, Noxon,  
MT**

We realize this change may affect the convenience to voters in Heron, and possibly the ability to get to your new polling site on Election Day.

If you would like to get your ballot sent to you in the mail, please call the Elections office @ (406) 827-6929 so we can help you get that change made.
