

The Center for Disease Control (CDC) now recommends a COVID vaccine booster shot for certain groups.

Sanders County Public Health is offering these shots:

For individuals who received a Pfizer or Moderna COVID vaccine, the following groups are eligible for a booster shot at 6 months or more after their initial series:

- 65 years and older
- Age 18+ who live in long-term care settings
- Age 18+ who have underlying medical conditions
- Age 18+ who work or live in high-risk settings (such as health care workers, teachers, grocery store workers)

For individuals who got the Johnson & Johnson COVID vaccine, booster shots are also recommended for those who are 18 and older and who were vaccinated two or more months ago.

Booster vaccines are available on Mondays from 8:00 AM to 4:00 PM

Please call the Health Department at 406-827-6931 for more information and to schedule a vaccination.
