A candidate must be elected from among the electors qualified to vote at Special District Elections within the Fire, Hospital, Water and Sewer District for which the candidate has filed.

Per 7-13-2234, 7-33-2106, 7-34-2117, and 13-1-304 MCA, if the number of candidates is equal to or less than the number of positions to be elected for that district, the Election Administrator may cancel the election. If an election is cancelled, the governing body shall declare elected by acclamation each candidate who filed a Declaration for Nomination for that position. If a nomination is not filed for one or more position, the governing body shall appoint to fill those positions. An appointee taking office pursuant to this subsection serves that term of office as if the appointee had been elected. If an election is held, the election will be held Tuesday, May 3, 2022 in a Mail Ballot Election.

Dated January 24, 2022

Nichol Scribner, Election Administrator
Sanders County, Montana
